Subject: TS 16949:2009 Letter of Conformance

Dear Mr. Yeh,

This is to attest that Kaiser Aluminum Kalamazoo Operations was assessed to the requirements of ISO/TS 16949:2009 during an audit on August 25 – 27, 2010 and was determined to be in compliance with all requirements.

Per The Rules for Achieving IATF Recognition, 3rd Edition, section 5.14, this letter of conformance is being issued based on

- a) Supply of the information required for the stage 1 readiness review, including internal and external performance data and one full cycle of internal audits and management review, but not twelve (12) months of internal audits and performance data,
- b) Completion of an initial audit (stage 1 readiness review and stage II initial) with no open nonconformity,
- c) Approval by Veto Power

This letter of conformance is valid to August 27, 2011.

Regards,

for
